

Christmas cheer continues at Astaro with cash back bonanza

Astaro announces 5% cash back promotion to attract new partners and incentivise current partners

London and Karlsruhe (Germany), 28th November 2006 – Astaro Corporation (www.astaro.co.uk), a leader in providing unified threat management security solutions, today gave its channel more reasons to be cheerful during this festive period with a cash back promotion. Relating to all orders with a minimum value of 5000 Euro, it will see every reseller receive a cheque amounting to 5% of the wholesale price for all orders received between 27th November and 29th December 2006. The promotion also applies to all orders within the non—profit, government and educational industries.

In order to participate in this promotion, the reseller will be required to send a claim form with a copy of the distributor's invoice to Astaro no later than 20th January 2007. N.B. It excludes any orders that incorporate deductions or special offers.

“This promotion is aimed not just at attracting new partners but also an incentive to current partners. We feel that 5% is a substantial and fair reward for our partners who have worked hard all year. It should be remembered that there is no limit to the cash back amounts,” said Shameem Ibrahim, sales director UK at Astaro. “We will be promoting the campaign through direct marketing, including multiple-staged emails and news announcements.”
